Excited to share the TF recital experience.

Students will be dropped off at the stage door behind the theater 30 min before their scheduled performance time in costume with hair and makeup done, ready to perform! If your child is in more than one number you will drop off their other garment bags at check-in. After students are checked in backstage families can head to the front of the venue to enter our 20th Anniversary Show!

Rehearsal

Rehearsal is a very important part of the Show experience.

Rehearsal is the first time the students will perform full-out on the stage.

When is rehearsal?

Dates: Saturday, June 1 - Friday, June 7th

Time: During your regularly scheduled class

Where is rehearsal?

All Rehearsals will be held at the theater (no costumes needed)

The Event Factory

144 Metro Center Blvd. Warwick, RI

What is the Rehearsal process?

You will drop your child off for their regularly scheduled class. **No costumes needed.** Your child will practice with their class and teacher, along with our tech crew and production team. Students will be dismissed when their class time is done.

What time do I arrive at Rehearsal?

Regular class day and time, only change is the location.

Can I expect the Rehearsal schedule to run on time?

Yes! We typically run on time, almost to the minute. If you do not arrive at your scheduled time, you may miss the rehearsal. Trust us, it is no fun if they are late or miss their rehearsal!

This is an important day, so please make an extra effort to ensure an on-time arrival.

When I arrive for Rehearsal, where do I go?

When you get to the theater, head right inside!

What should I wear to rehearsal?

Wear what you would wear to your weekly classes

We recommend wearing the shoes you will be wearing for the show

The Big Day

This is the big day your performer has worked for all year! They will be very excited and it's going to be SO much fun to take the stage and perform! We want to make this experience the best it can be for you and your child, so please continue to read all the details below carefully.

When do I need to arrive?

Students need to arrive 30 min prior to their scheduled time in their 1st costume with full hair and makeup. You will need to check in your child 30 minutes before their scheduled time to perform. Our videos (coming soon) will assist with navigating where to go once you've arrived.

Where do I drop off?

This year you will be dropping off behind our theater at the stage door. At this time you will also drop off additional costumes in their garment bags if students are in more than one number. Once students are dropped off, families can make their way to the front of the building to enter through our lobby.

Should my child arrive at the Year-End Show in costume?

Yes, we ask they arrive dressed in their 1st costume with hair and makeup done, with proper color tights and shoes. This will help things run smoothly! If they have multiple routines, please drop off the additional costumes in garment bags. If your child has multiple costumes, we recommend having their costumes, shoes and hair supplies organized, labeled and readily available in a small bag or inside the garment bag to keep the day running smoothly.

Will my child be able to watch the show?

Yes! Students will be picked up as soon as their number is done and they will stay with you after they perform. Performers do not need a ticket.

Can I go to the dressing room to assist my child in between routines?

Yes, that is actually the best way for students to change into their next costume unless they are old enough to change on their own. A family member should be designated to head back to the dressing room to change for their next number.

Will there be gifts or flowers available for purchase?

We are a one-stop shop offering flowers and gifts for your performer. Check the [SHOP](#) tab on our website to pre-order all recital merchandise such as t-shirts, flowers, bears and more!

Stage Makeup and Hair

Does my child need to wear makeup for Rehearsal and the Year-End Show?

Rehearsal, no makeup needed.

The show, Yes makeup! The lights on the stage are very bright. All students will need to wear makeup for the show (not rehearsal). This will make their beautiful faces stand out on stage and not be washed out by the lights.

For the younger performers, we suggest blush, a little mascara and a color on the lips. The older performers should wear blush, lip color, and eye makeup. All of our performers should look their best for the big day!

How do I style my child's hair for Rehearsal and the Year-End Show?

Rehearsal, hair should be pulled back, secure and off the face.

The Big Day - for uniformity at the show, we ask all performers wear a slicked back bun for the performance. Low buns are best for acro numbers where they have to roll on the mat!

Hair should be as neat and clean as possible and please make sure it is secure! This is a special day, so you should make a special effort to help your performer look their best! Use gel/clips/hairspray to smooth fly-aways so all students have a classy and uniform look on stage! If you have a hairpiece, please also make sure it is very secure so it does not fall off during the performance

Check your garment bags!

Check your garment bag labels for important information for your class! Need tights? Order on the SHOP tab on our website and we will let you know when they are ready for pickup!
